

Step 1

www.myhealthtoolkitfl.com

Select **Find a Provider** in the Find a Doctor section found on the right side of the home page.

Step 2:

On the next screen, you will need to enter your 3 digit plan identifier to ensure you have the correct network. For VyStar Employees who reside in Georgia use **FJJ** and for all other VyStar Employees use **FRU**. Click on **“Continue”** once the alpha member ID prefix is entered.

ENGLISH ▼

Enter the first three characters of your member ID to browse providers within your plan.

Otherwise, skip to browse all providers within your broader network*.

FIND HEALTH CARE BY CATEGORY

People
Doctors, medical groups, and other professionals by specialty

Places
Hospitals, clinics, labs, imaging centers, medical suppliers

Services and Treatments
Providers for office visits, tests, treatments, surgeries

Care by Condition
Find care for common concerns

If you select a category, you will get additional drill down options. Each option will allow you to narrow down your search further. For example, when you select the **People** category, you will get the below options and from there you will be prompted to drill down further.

Who are you looking for?

Primary Care

Family doctors, internists, OB-GYNs

Specialty Care

Dermatologists, cardiologists, oncologists, more

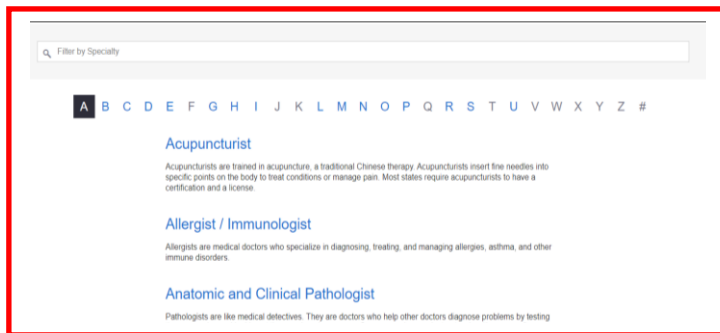

Medical Groups

Small practices or large organizations of doctors

Behavioral Health Care

Psychiatrists (MDs), Psychologists (PhDs), therapists

The list is in alphabetical order; scroll to find the desired specialty or use the search feature. Click on the **title** to review the results of that category.

Once on the results page, you can continue to **refine** your search with the side menu. Click on the **+** to expand upon that filter.

If at any time you need to go back to the prior page; click on the
